

**Energy Policy Group  
PO Box 43173  
Olympia, WA 98504-3173**

The CTED Energy Policy Group provides the Governor, Legislature, and other state and local government entities with information, analysis, and expert testimony on Energy Policy issues at the state, regional, and national levels; develops, collects, and analyzes data on energy resources; represents the state's energy interests in external policy forums; prepares the state to respond to petroleum and electricity supply shortages; and manages federal energy grants.
